

## BLACK IS BEAUTIFUL

Black paper provides an elegant character for all creative applications, with especially high-quality effects from finishings such as metallic surfaces, die-cuttings or embossings.

**Applications:** brochure- and book covers, packaging for luxury goods, photo album, passepartouts, calendars, art-prints, promotional materials, creative arts, base paper for industrial applications, office board (e.g. luxury files, suspension files, cover boards), archiving, etc.

**Advantages:**

- marked with the eco-label "Blue Angel"
- brilliant color
- homogenous paper formation
- high color fidelity
- chlorine and acid-free
- ageing-resistant
- harmless to health and environment

**Standard grammages:** 80 - 350 gsm

**Colors:** brilliant black, deep black (other different shades are possible)

**Surfaces:** matt or rough

**Printing methods:** offset printing, screen printing, flexo printing, laser- and inkjet printing  
A printing test is recommended.

**Further processing:** die-cutting, laminating, embossing, spot varnishing, folding, cutting, etc.

**Fibres:** 100% reclaimed fibres

**Minimum quantity:** Please contact your Euler ColorTech Paper representative.

Grades, colors and range of products are subject to change. Due to the recycled nature of this paper variations in shade, surface and speck count may sometimes occur.
