FINE TECH PAPER

## LOOK

### CHROMO BOARD

What would the best book or the coolest CD be without an equal great cover? With the one-side coated cover board Look, you can give your creativity free rein. Thanks to its pure brilliant-white surface, the printed results will be sharp and impressive, even with ambitious full-surface prints. In addition, Look also functions as a secure protective casing for all your applications.

**Applications:** protective casing for books or CDs, cover for high-quality brochures, business reports, packaging, greeting cards, etc.

**Advantages:**

- high degree of whiteness
- excellent full cover-printing on both sides
- very good folding characteristics
- available in various surfaces
- durable protective cover
- pleasant feel
