Koehler Paper's ICEWHITE IQ® Digital Printing Paper Delivers the Best Quality for HP Indigo Worldwide

- **ICEWHITE IQ® was developed specifically for digital printing**
- **Outstanding printing properties deliver vibrant printing results**
- **New size added to range of standard offerings**

Oberkirch, Germany, 03/04 /2025 – Koehler Paper, A Koehler Group company, developed its ICEWHITE IQ® digital printing paper with digital printing in mind. The product's quality is particularly well-suited to premium quality prints with bold colors, sharp contours, and vibrant printing results. In addition, and given the resounding success of the existing 32 x 46 cm size offering, a new size has now been added to the available product portfolio.

New size added to range of standard offerings

ICEWHITE IQ® natural paper is the paper of choice for HP Indigo, Xeikon, and Xerox digital presses, among others. Its range of available sizes has now been expanded with 50 x 70 cm short grain and long grain options. This new size is perfect for the HP Indigo 12000 digital press and a broad range of applications, including brochures, catalogs, and advertising material with customization and personalization options. The new size is available in various grammages ranging from 90 to 340 gsm starting from a minimum quantity of one pallet.

About the Koehler Group

The Koehler Group was founded in 1807 and has been family-run from that moment to the present day. The group's core business activity lies in the development and production of high-quality specialty paper. This includes—among others—thermal paper, playing card board, beverage coasters, fine paper, carbon-less paper, recycled paper, decor paper, wood pulp board, sublimation paper, and also innovative specialty paper for the packaging industry. In Germany, the Koehler Group employs around 2,500 people across five production sites, with three additional sites in the USA. The group operates internationally, with an export share of around 70% in 2023, and brings in an annual turnover of around 1.1 billion euros.

As an energy-intensive company, Koehler invests in renewable energy projects such as wind energy, hydropower, photovoltaics, and biomass with its Koehler Renewable Energy business unit. The Koehler Group has set a goal of producing more energy from renewable sources by 2030 than is required for its paper production operations.

With its Koehler Innovative Solutions division, the Koehler Group is collaborating with start-ups to promote innovations in the core business segments “paper” and “renewable energy”.
