Koehler Paper increases Prices for Thermal Paper and Carbonless Paper up to 15%

Oberkirch, 10.06.2021 – Due to the further massive cost increases for all materials and logistics Koehler Paper will increase its prices for thermal and carbonless paper up to 15%. The increase will be applicable for new orders with immediate effect.

The customers will be contacted by the Koehler sales team to discuss further details.

More about the Koehler Group

The Koehler Group was founded in 1807 and has been family-run to this day. The Group's core area of business is the development and production of high-quality, specialty paper, including thermal paper, playing card board, drink coasters, fine paper, carbonless paper, recycled paper, decor paper, wood pulp board, sublimation paper, and, since 2019, innovative specialty paper for the packaging industry, too. In Germany, the Koehler Group, with its more than 2,000 employees, has five production sites, as well as three more in the USA. The Group operates on an international level, with an export ratio of 70% in 2020 and annual revenue of €770 million.

As an energy-intensive enterprise, Koehler invests in renewable energy projects such as wind energy, hydroelectric power and biomass. The Koehler Group has committed itself to producing more energy from renewable sources than is needed for paper production by 2030.
