## **Koehler Group increases Prices for Carbonless Paper**

**Oberkirch, 16.03.2021** – The Koehler Group, the European market leader in carbonless paper, will increase its prices globally for reacto® carbonless paper and other Koehler carbonless brands. “The sharp increase in pulp prices, logistics costs and overall higher production costs combined with lower capacity utilization need to be compensated” says Stephan Schwietzke, Director Carbonless Paper Division. This increase will be up to 10%, for deliveries from 3<sup>rd</sup> May 2021 onwards. In overseas markets the dramatic increases in ocean freight demands an immediate additional upcharge. The regional representative will contact the customers for further details of the implementation.

**More about the Koehler Group**

The Koehler Group was founded in 1807 and has been family-run to this day. The Group's core area of business is the development and production of high-quality, specialty paper, including thermal paper, playing card board, drink coasters, fine paper, carbonless paper, recycled paper, decor paper, wood pulp board, sublimation paper, and, since 2019, innovative specialty paper for the packaging industry, too. In Germany, the Koehler Group, with its more than 2,000 employees, has five production sites, as well as three more in the USA. The Group operates on an international level, with an export ratio of 70% in 2019 and annual revenue of €900 million.

As an energy-intensive enterprise, Koehler invests in renewable energy projects such as wind energy, hydroelectric power and biomass. The Koehler Group has committed itself to producing more power from renewable sources than is needed for paper production by 2030.
